

Hello DIS Parents,

During the week of May 26, you will have the opportunity to pick up your child's belongings that were left in school, such as clothing that was left in cubbies, classroom supplies, notebooks and lunch bags. The dates and times for pick up are by last name and are listed below. In addition to picking up your child's belongings, you will be able to return the completed instructional packets that were mailed in March, as well as any library and/or classroom books. Pickup will take place in the gym. Parents will enter through the exterior gym doors, located on the left side of the school entrance. Upon entering the gym, you will see signs with teachers' names posted on the wall. Underneath the signs will be bags labeled with each child's name, along with a collection box. Select your child's bag and deposit the instructional packet and books in the box. Exit the gym through the maintenance hallway, opposite of where you entered, make a left and exit the building through the exterior maintenance doors. In keeping with social distancing guidelines, no more than 5 parents will be allowed in the gym at one time. If you are waiting outside to enter the gym, please adhere to the practice of standing 6 feet apart. Please note that if your child has medication in the nurse's office, the medication, along with your child's bag of belongings will be held by the school nurse for you to retrieve. Please look for the nurse's sign and table in the gym. Fifth Grade parents, please be aware that the 5th grade yearbooks will arrive during the last week of school and you will be notified when they are available.
