January 2012

Dear Community Member:

As an active and influential member of our community, your ideas on the future of public education are of great interest to us and the entire Delran Township Board of Education.

The Board of Education is about to embark upon the development of a Strategic Plan and we would like you to consider joining us in this effort. On January 12th at 7:00 p.m. in the Board of Education conference room there will be a meeting to explain the strategic planning process and an opportunity to sign up for various committees.

Mary Ann Friedman and Kathy Winecoff from New Jersey School Boards Association will serve as our planning facilitators and, of course, staff will be actively involved. There are many ways in which you can join the process, from serving on the central planning committee to simply sharing your ideas in writing. The way to find out how you can help is to attend one of the introductory meetings.

We hope you will be able to attend the Community Strategic Planning Orientation meeting on January 12th at 7:00 p.m. If you cannot attend on the 12th, you are welcome to attend the Middle and High School PTA meeting on Jan. 10th at 7:00 pm, the Elementary PTA meeting on Jan. 19th at 7:30 pm, or the Delran staff Strategic Planning Orientation on Jan. 18th at 3:30 pm to share your experiences and expectations with us. I have attached a calendar for locations and more details on these meetings.

If none of these dates are convenient, but you would like to be involved or receive more information about the process, please call Linda Gringeri, Director of Curriculum and Instruction at 856-461-2900 extension 2322 or 2139.

Sincerely yours,

Lynn Jeney
Board President
